

今天把 UBS 的 2010 的校园招聘网测做了一下, 包含两部分, Numerical Test 和 Logical Test, 这里跟大家分享下我抽到的题目, 呵呵。

由于图片比较多, 我弄成了两个文件, 分别对应 Numerical Test 和 Logical Test, 这份是 **Logical Test** 的。

UBS Online Application System

UBS Online Assessment Logical Reasoning

Instructions

This part of the application process assesses your logical reasoning ability.

You will have only ONE opportunity to complete this test.

This part of the application process will take approximately 30 minutes; the test itself is EXACTLY 21 minutes. Neither the speed of your machine nor the speed of your Internet connection will affect the test.

Before attempting the tests please disable any 'Pop-up Window Blocking' software that may prevent the test applets from downloading successfully.

Active Firewalls or High Internet Security may also deny you access to the tests. University or Company networks may have restrictions in place so please check with your local Systems Administrator before attempting to take the test on a private network.

UBS Online Assessment Logical Reasoning

Practice Test Instructions

Next you will be given a short practice test that will help you prepare for the actual test. The practice test **DOES NOT** have a time limit (the actual test does) and, unlike the actual test, you may try the practice test as many times as you like.

Remember!

There are 8 questions in this practice test. It is **NOT** timed.

Do **NOT** use the browser "Back" button - this will terminate the test!

Do **NOT** use the keyboard while taking the test - only use the mouse to navigate and give your answers.

Once you launch the practice test, you may need to wait a few seconds while it loads.

Click the "Next" button to launch the practice test.
